

AMERICA 250 ENERGY INNOVATION

★ to Power the Future

AMERICA
250

October 19–20, 2026 | Omni Shoreham Hotel | Washington, D.C.

The business of energy is changing. EMC26 brings it into focus.

Energy Marketing Conferences returns to Washington, D.C. for its 26th event, bringing 400+ energy professionals together for 1.5 days of real conversations, market insight, and business development across the competitive energy market.

★ ★ WHY BE THERE? ★ ★

Know what is changing.

Get a clear view of market matters: policy, customer trends, technology change, compliance, margins, and conditions across all competitive markets.

Connect with the right people.

Engage with the suppliers, brokers, consultants, tech partners, service providers, executives, and decision makers driving results in this market.

Turn insight into action.

Leave with sharper ideas, stronger connections, and practical takeaways you can put to work with your team, your clients, and your business.
